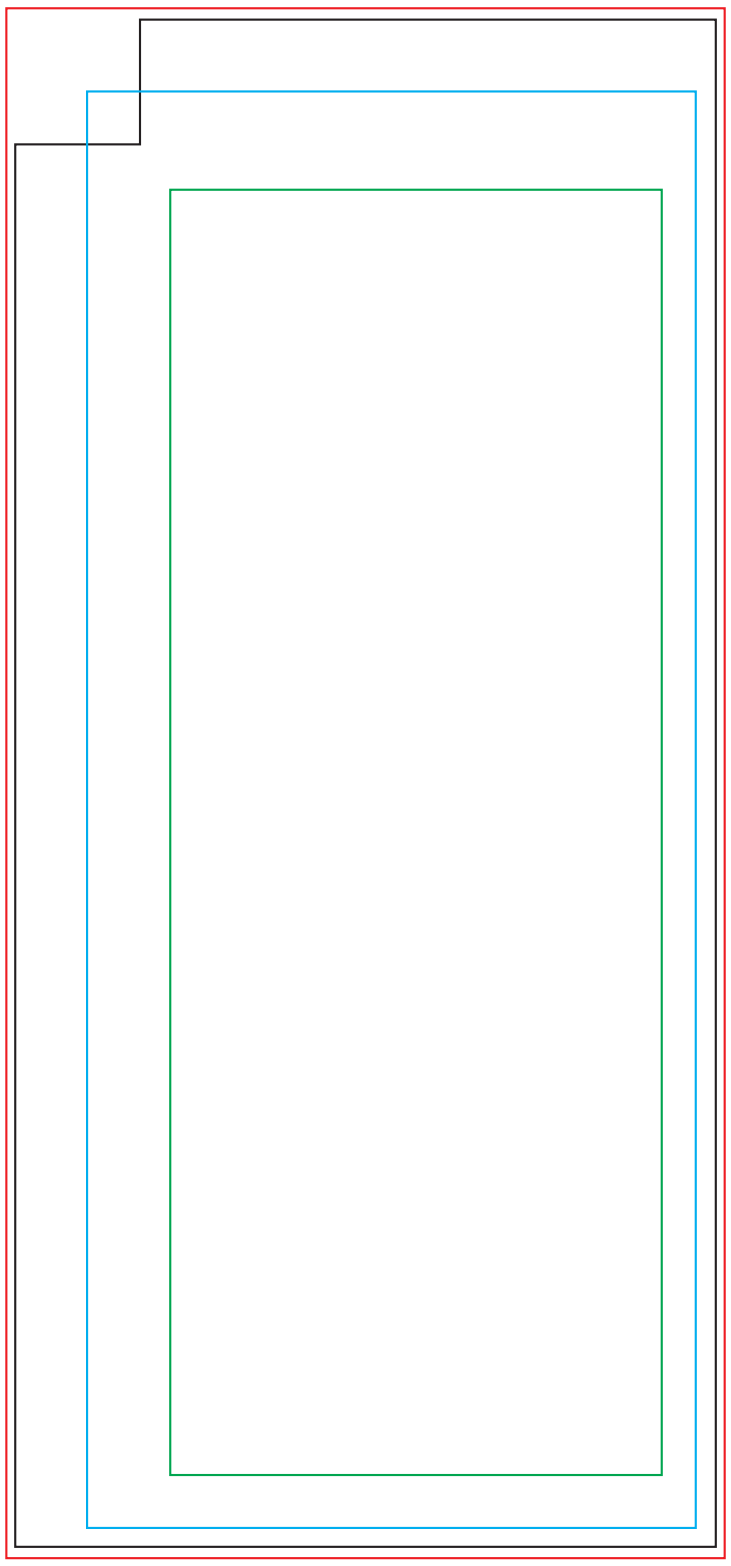
scale 1:10 (10%)



composition to print

All production lines should be kept
and maintained vectorized.
For images, save with highest possible
resolution (minimum 150 dpi at 100% scale)
and all fonts converted to outlines.
See our print guide lines for more info

- total print area = artwork area
- final product after sewing
- safety area, place logos and important elements to avoid seams
- required production line, only for Spennare use
