

Square Beach Flag (B)

Production template

- Use the production template assigned from Spennare.
- All production lines should be kept and maintained vectorized.
- For images, save with highest possible resolution (minimum 150 dpi at 100% scale) and all fonts converted to outlines.
- See our print guide lines for more info.

Production lines

These colored production lines guide you in the template document.

- Total print area = artwork area
- Final product after sewing
- Safety area, place logos and important elements to avoid seams
- Required production line, only for Spennare use
